

APIA

Project

Partnering with Edge Project Management, Formula delivered a complete fitout solution for APIA at its new premises in Mornington, Victoria

Featuring custom timber joinery that sets the space apart, yet delivers on the client's brief for consistency with its other retail locations, Formula was able to bring this light and inviting Gray Puksand design to life in just eight weeks.

Works included the installation of new glazed and solid partitions, custom timber joinery, tiling, furniture, fixtures, fittings and the alteration of existing mechanical, hydraulic and electrical services.

Address

Shop 160B Main Street Mornington, Victoria
