

# University of Newcastle

## SOCIAL SCIENCES FACULTY UPGRADE

### Project

Formula delivered a multimillion dollar upgrade of lecture theatres and learning spaces at the University of Newcastle's Callaghan Campus. With research indicating that access to natural light and views can significantly improve learning outcomes, this two stage refurbishment involved facade penetrations to support larger window openings, the installation of feature architectural ceilings, bespoke joinery, and sophisticated communications and audio visual equipment.

The new look halls and rooms are now equipped to cater to a range of learning styles, from traditional theatre-style lectures, to interactive group work and tutorials.

### Address

University Drive, Callaghan NSW

### Size

1,800m<sup>2</sup>

### Duration

Six months (delivered over two semesters as per client request)

### Design

Geyer Design
